

CASE STUDY | JUMEIRAH AL NASEEM HOTEL DUBAI

PROJECT: Jumeirah Al Naseem Hotel
CATEGORY: Hospitality
DURATION: Completed end 2016
SIZE: 387 Rooms / 43 Suites

Dubai's Jumeirah Al Naseem Hotel has won numerous accolades since opening including best Guestrooms and Resort Hotel Interior design for Middle East and Africa. Interiors Designers DSGN were instrumental in creating an interior inspired by sand dunes, sea breeze and Dubai's heritage of pearl diving and Bedouin traditions. Spectacular views to the Burj Al Arab Jumeirah, and designed to adapt to guest's needs and accented with Arabian touches.

The installation of hand crafted iconic contemporary planters from Indigenus, an International brand with distinctively South Africa roots, only enhances the beautiful interiors throughout the award winning resort.
