SOURCE SA

Brandconnect, has developed long established relationships in South Africa with a comprehensive manufacturing base in the interior and furniture sectors. Supported with a local heritage of manufacturing skills set and design, this only enhances our unique collaborative local SA product offering.

We are proud to support **sourcing from South Africa**, with a global reach.

We connect the dots between **Local and International design...**

ENQUIRE ►

OUR OFFERING

- 1 Our Experience.**
With decades of experience in the Furniture, Home decor, retail and design industries, supported by our teams based in SA, UK and Dubai, Brandconnect is perfectly positioned to take good brands to great places....
- 2 Our Network.**
Our philosophy of developing strong relationships and networks globally, ensures that our vast community of design professionals, consultants and loyal suppliers, enables Brandconnect to provide both local support and a global reach to meet the needs of our clients.
- 3 Our Understanding of Design.**
By engaging with the Design consultant and client from kick off stage, and supported by our vast experience and understanding of Interior and product design, we are able to take a project from Concept to Creation....
- 4 Our turnkey Procurement and Sourcing.**
A comprehensive end-to-end global sourcing and procurement solution, supported by hands-on supply chain management and logistics, gives Brandconnect a unique turnkey solution.
- 5 We connect the dots between Local and International design...**
